

1 **WHAT IS CLAIMED IS:**

2 1. A foldable tent comprising:

3 at least four frame loops in even numbers pivotally and sequentially
4 connected to form a tent frame with multiple sides, each frame loop having a
5 top, a bottom and two side rods;

6 multiple easing pieces (20) attached respectively between the frame
7 loops; and

8 at least one cover piece covering the tent frame;

9 wherein each easing piece (20) comprises: two sleeves (22) mounted
10 respectively around two adjacent side rods of two adjacent frame loops and a
11 web (24) connected between the two sleeves (22).

12 2. The foldable tent as claimed in claim 1, wherein the foldable tent
13 has four egg-shaped frame loops (10) and four easing pieces (20) connected
14 respectively between adjacent egg-shaped frame loops (10).

15 3. The foldable tent as claimed in claim 1, wherein the foldable tent
16 has four trapezoidal frame loops (10a) and four easing pieces (20) connected
17 respectively between adjacent trapezoidal frame loops (10).

18 4. The foldable tent as claimed in claim 2, wherein the foldable tent
19 further has:

20 at least two cover pieces (30) covering the tent frame;

21 an entryway (32) formed on one cover piece (30); and

22 a ventilation net (34) attached to another one of the cover pieces (30).

23 5. The foldable tent as claimed in claim 3, wherein the foldable tent
24 further has:

1 at least two cover pieces (30) covering the tent frame;
2 an entryway (32) formed on one cover piece (30); and
3 a ventilation net (34) attached to another one of the cover pieces (30).
4 6. The foldable tent as claimed in claim 1, wherein the foldable tent
5 further has a basket (40) attached to the top of one of the at least three frame
6 loops.
7 7. The foldable tent as claimed in claim 1, wherein the foldable tent
8 further has multiple peg loops (36) attached to the at least one cover piece
9 (30).
10 8. The foldable tent as claimed in claim 1, wherein the foldable tent
11 further has a dartboard (45) attached to one of the cover pieces (30).
12 9. The foldable tent as claimed in claim 1, wherein the foldable tent
13 has one cover piece (30) mounted over the tent frame.
